

# Rezzable

## **Virtual Experience (VX) Designer**

Location: Shoreditch, London

Permanent, Full-time position

Salary: £20,000 to £25,000

Send cover page and CV to [meral.crifasi@rezzable.com](mailto:meral.crifasi@rezzable.com)

No agencies please .

Rezzable Productions Ltd. owns and operates the Heritage Key online and 3D virtual sites now in early stage release. We are seeking a key person to make significant contributions towards expanding our virtual experience (VX) content.

Want to be part of small team with big ambitions? This is an ideal position for someone who loves making virtual, online areas. Are you creative and learn fast whilst also being practical and eager to get things done? Help us build <http://heritage-key.com> .

### **Key Areas of Work:**

- Create practical and highly imaginative virtual, online immersive area designs that can be implemented successfully in-VX
- Design user experiences to increase visitor engagement
- Develop captivating storylines, tours to convey historical information in an entertaining way
- Design interactive games, quests, puzzles
- Collect, organize all source materials needed by working with HK advisers and doing own research
- Create detailed task break-down for VX builders and coders
- Lead teams to deliver on-time, as agreed work
- Commission, take delivery of work from contractors
- Manage materials and archives
- Adjust in-VX materials

### **Skills/Interests:**

- Make detailed storyboards, scripts
- Solid understanding of virtual world building techniques
- Photoshop
- Machinima production
- Web research
- Project Management

**Must have UK working permit and valid passport**
