

Rezzable

Rezzable Production Ltd

Image and Media Coordinator

Location: Shoreditch

Permanent, Full-time position

Salary: £15,000 to £20,000

Send cover page and CV to meral.crifasi@rezzable.com >>>No agencies please !

Rezzable owns and operates the Heritage Key on-line and 3D virtual sites now in early stage release. Want to be part of small team with big ambitions? This is an ideal junior position for someone who loves photography and the social web. Help us build <http://heritage-key.com> .

Key Areas of Work:

- Research images, videos and other media for source materials
- Find usable photographs, video, maps and other media to link to Heritage Key site content
- Grow members and assets of Flickr groups and image pools
- Select and invite photographs to Flickr pools
- Commission new, original media
- Take high-quality photographs of sites and artifacts in the London area
- Enhance images in photoshop CS4
- Add Metatags to images
- Write media captions and attribution notes
- Create Google Earth maps, tours and post KML files to site
- Write tutorials and instructions
- Maintain Heritage Key image catalog
- Liaise with Heritage Key photographers
- Track usage of media on sites to comply with rights

Skills/Interests:

- DSLR usage and file management
- Photoshop CS4 – proficient in managing image files, adjusting images, cropping, creating borders and frames, adding text, making panoramas, HDRs
- Taking virtual world images and video clips
- Fast typing, browsing, multi-threading capabilities
- Willing to learn basic video editing using Final Cut Pro
- Willing to Travel

Must have UK working permit and valid passport
